

BI-PARTISAN POLITICAL ACTION COMMITTEE CREATED BY SUPPORTERS OF IOWA'S COMMUNITY COLLEGES

WHAT WE DO

With funds provided by ISW supporters, we have the opportunity to speak with and educate our legislators and public officials about the impact our colleges have on our communities and workforce.

WHO WE ARE

The Iowans for a Skilled Workforce Board of Directors is a seven-member board comprised of Iowa Association of Community College Trustees and Iowa Community College Presidents.

HOW IT WORKS

Contribution goals for each region are set by the ISW Board and individual distributions to legislators are approved by the IACCT Board and Presidents.

Funds are collected and tracked from July through September & individual distributions are dispersed to legislators in September (Election Year) or October (Non-Election Year).

TALKING POINTS

2 Supporters of ISW believe that each Community College plays a vital role in growing Iowa's economy by providing training to the next generation of Iowa's skilled workers.

3 Iowa's policymakers come from all walks of life and are not expected to be experts on every issue. With the funds provided, ISW dedicates itself to educating our legislators and public officials. The funds you contribute help them make educated decisions.
