

**Complimentary Lunch Provided!**

# **BUILD IOWA CAREER FAIR**

## GENERAL INFORMATION

---

At Build Iowa, we're committed to helping students answer this generation's number one question: "What do I want to do with my life?" Issues like college debt, mental and physical health, technology drain and climate change are all influencing where students gravitate in their careers. The building industry in Iowa offers endless opportunities for Millennials and Gen Zs to make an impact on these issues. Did you know that the building industry offers opportunities to work on solar panel installation, fly GPS drones, build rural hospitals and do it while incurring little to no debt? It's true.

Come join us for a series of events that we are hosting **FREE OF CHARGE** to students, educators and parents. One way or another, we can promise you that graduation is coming. Let us help you get started with a rewarding and purposeful career in Iowa's building industry.

MBI's Build Iowa Career Fairs are designed to connect commercial contractors with students in 11<sup>th</sup> & 12<sup>th</sup> grade, as well as community colleges. These three FREE events will feature a short program to discuss the commercial construction industry, followed by a career fair with lunch provided for all attendees! Space is limited, so be sure to RSVP as soon as possible!

---

**All schools and students in the age ranges above are welcome to RSVP for these events at no cost.  
To RSVP please visit [www.MBI.Build/careerfairs](http://www.MBI.Build/careerfairs) by March 1, 2023.**

**For questions, please contact Adam DoBraska at [ADoBraska@MBI.Build](mailto:ADoBraska@MBI.Build) or (515) 777-5054.**

---
